Section I: Title

This ordinance shall be known and cited as the “Eagle Township EMS Charge Ordinance”.

Section II: Purpose and Intent

The purpose of this ordinance is to provide a means of supplemental financial assistance to the Township in providing fire protection, emergency services and ambulance services within the Township from those receiving direct benefit from these services.

Section III: Charges

1. Charges for fire protection and emergency services (including but not limited to medical and ambulance services) provided by the Looking Glass Regional Fire Authority, or any other agent acting on behalf of the Township of Eagle (either via contract or mutual aid agreement) shall be payable to the Township of Eagle in amounts as established by resolution of the Eagle Township Board.
2. Charges for fire protection and emergency services (including but not limited to medical and ambulance services) shall apply to all runs within the Township, except as otherwise provided.
3. Charges shall be due and payable by the owner or owners of the property benefited, the recipient or recipients of the services rendered and other persons or property owners as hereinafter enumerated.
4. Where the owner of the property benefited and the recipient of the services rendered are not the same, such charges shall be due jointly and severally.

Section IV: Time and Payment

Charges shall be due and payable within 30 days of written notice from the Township, or its agent.

Section V: Method of Collection
